How it works

1. Advance Auction Registration Forms (AARF's) are to be received by Fax at Black Hills Estate Winery up to midnight on Friday, June 12, 2009
2. Each Advance Registrant sets their Starting bid and Maximum Bid
3. If your Starting Bid is in-line with the other bids, you will be contacted and assigned a designee who will bid on your behalf at the Live Auction.

4. The Live Auction will commence at 6 pm (BC Time) on Saturday June 13, 2009 at Black Hills Estate Winery. This will take place during the Nota Bene Release party.
5. Your designee will contact you via Cell Phone to advise you of the progress of the bidding
6. As the bidding progresses, your bid will be represented by your designee. Your designee will know that your bid is to go no higher than your Maximum Bid. If your bid ends up being the highest at the Live Auction, then congratulations- you have purchased the Balthazar!
7. If the bidding proceeds beyond your stated maximum bid, you will have the option to withdraw from the auction or to change your maximum bid and stay in the game!
8. Payment for the Winning Bidder will be processed immediately upon conclusion of the auction.
