

15-GAME & 14-GAME ICE PAK HOLDER – SEAT SELECTION PROCESS

All appointment dates and times have been assigned based on Ice Pak Holder account priority determined by your original date of purchase and the number of consecutive years you have been an Ice Pak Holder. To secure the best available seat locations, take advantage of your account priority and call immediately at your scheduled time.

To assist you during your seat selection process, please use the following checklist to prepare for your assigned priority call-in time:

■ **SELECT YOUR PREFERRED ICE PAK** *(game packages listed below)*

Due to limited inventory, ice paks and price levels are subject to availability. It is in your best interest to keep your options open as the most popular ice paks and price levels will most likely be the first to sell out.
