

**COUNCILLOR RANDY DONAUER SEEKS RE-ELECTION**

Councillor Randy Donauer has confirmed that he is seeking re-election to City Council in the fall election. Donauer was elected in 2010, winning a by-election in Ward 5. Donauer is set to run on his record, citing two balanced budgets, a Triple A credit rating, and healthy reserves. This Council has added \$4.1 million for road maintenance, \$3.9 million for police, and 6 new Police Officers in 2012, in response to feedback from the public, all while administering some of the lowest property tax increases among major cities on the prairies.

Randy is a business owner in Saskatoon. He attended the University of Saskatchewan, worked for the federal government department of Citizenship and Immigration for 11 years, worked as an Administrator in a community church for 12 years, and he sits on the Saskatoon Regional Health Authority where has served on the Audit and Finance Committee and the Policy and Governance Committee, and he currently chairs the Quality and Safety Committee.

On Council, Donauer has served on Executive Committee, Planning and Operations, Audit, Budget, North Central Transportation Planning Committee, Saskatoon Airport Advisory Committee, Saskatchewan Assessment Management Agency, and Animal Control Advisory Committee.

Donauer actually lives in Ward 5, and has for the past 18 years. He has raised his family in Silverwood, where they currently reside. He believes that is important, because "I use the same roads, sidewalks, parks and paths that the other residents of Ward 5 do. So when they have an issue, it is an issue for me too."

"It has been an honour to represent Ward 5 on City Council. This is an important time in Saskatoon's development, and with proper leadership we will continue to see our beautiful city grow and prosper."
