NEW

GREY BOX FOR GLASS BOTTLES AND JARS COMING SOON

The City will begin to collect glass bottles and jars separate from other containers. A new Grey box will be delivered to homes between January and March 2016. Start recycling glass bottles and jars in your Grey box as soon as it arrives.

Your Grey box will be collected weekly along with your Blue box, Yellow bag and Green Bin. Learn more about the changes to how you sort your recycling at vancouver.ca/recycle

\$ **Return wine, spirits, coolers, beer and juice bottles to a Return-It depot for refund** \$

EXPANDED RECYCLING PROGRAM

All paper products, including newspaper, can now be placed in your Yellow bag.

Single-use coffee and tea pods, Tetra Pak®, paper cups, and empty aerosol cans (non-paint) can be recycled in your Blue box.

ORGANICS DISPOSAL BAN

All food scraps, such as raw, cooked and spoiled foods, plate scrapings and leftovers are no longer allowed in regular garbage and should be recycled in your Green Bin. Learn more about the ban at vancouver.ca/greenbin

SET YOUR RECYCLING OUT

Set your bins and bags out for collection by 7 am on collection day. Place your garbage and Green Bin so there is at least 1 m (3 ft) of space on all sides and 3 m (10 ft) of clearance above. Place your Yellow bag between your Grey box and Blue box.
